DETAILED ACTION

Allowable Subject Matter

2. Claims 14-15, 21-22, 26-27 and 30 are allowed.

The following is an examiner's statement of reasons for allowance:

At the time of the final rejection, dated 12 April 2005, allowable subject matter was denoted for claims 14-15, 21-22 and 26-27. Further, claim 30 was deemed allowable. The reasons for denoting allowable subject matter for claims 14-15, 21-22 and 26-27 were given in item 6 of said final rejection and the reasons for allowance of claim 30 were given in item 7 of said final rejection. Further, Examiner has not found any additional prior art that would anticipate or render obvious any of claims 14-15, 21-22, 26-27 and 30.

The proposed amendments to claim 14 incorporates all of the limitations of independent claim 11, from which claim 14 directly depends. Claim 15 depends from claim 14. Likewise, the proposed amendments to claim 21 incorporates all of the limitations of independent claim 18, from which claim 21 directly depends. Claim 22 depends from claim 21. Likewise, the proposed amendments to claim 26 incorporates all of the limitations of claim 23, from which claim 26 directly depends. Claim 27 depends from claim 26.

Since the proposed amendments to the claims cancel claims which were not deemed to contain allowable subject matter and incorporate the allowable subject matter from the claims that were considered to contain allowable subject matter into the independent claims from which they depend, the proposed amendments have been entered.

Art Unit: 2624

Thus, claims 14-15, 21-22, 26-27 and 30 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
